EDUCATION

Bachelor Of Engineering- Civil Engineering	2018-2022	Rajeev Institute of Technology	7.73 (CGPA)
PUC (Class XII)	2016-2018	HKS PU College	76.8%
CBSE (Class X)	2015-2016	Hassan Public School	81.7%

TECHNICAL SKILLS

- Simulation/Programming Software : VS code , eclipse , Node js , Brackets , Editplus , oracle ,
- Programming Languages : Python & Java (Full Stack) , Typescript , Query, Hyper text markup ,
- Other Technical Skills: Java Servlets , J2EE, Frameworks, Windows Builder , Swings , JSP

PROJECTS

Implementation of Basic Data Structures in Java using Windows Builder, (KodNest Training Centre):

- Project aims to implement and explore the basic data structures in Java including arrays, stack, queue, linked list, doubly linked list, and circular queue. These data structures are fundamental in computer science and software engineering as they are used extensively in building efficient algorithms and solving complex problems.

E-Health Care Management , (KodNest Training Centre):

- **Technologies used** – Java, JavaScript, Apache tomcat , Oracle, Servlets, Jsp.
This project deals with the Corporate Medicare Management. This project is very helpful to both Medicare staff as well as to the public. It is having mainly Administration and Client modules.
- To optimize bed occupation. the use of operating theatres, avoiding the cancellation of operations.
- find clusters of patients, optimize the allocation of human and material resources towards and shifts , detect the influence of certain diseases in the hospital's services.

Bank Project , (KodNest Training Centre):

- Developed a banking application using Servlets, HTML, CSS, and SQL, which involved creating a login page and fetching data from the database. Implemented security measures to ensure user authentication and authorization. Successfully tested and deployed the application on a web server."

CERTIFICATIONS

- Certified Java Full Stack Developer Authorized by Kodnest Training centre
- AWS Cloud Computing Certificate Authorized by SkillUp
- Introduction to IBM storage and Cloud – DL0815G Authorized by IBM

LANGUAGES KNOWN

- **English:** full professional proficiency
- **Kannada** : native proficiency
- **Hindi** : moderate proficiency
